Wall Permit Application Guidelines
(Brick, Block, etc.)

All permit applications must be complete prior to acceptance. A complete application shall include the following:

- Building Permit Application completed, signed and notarized. Application must include correct address and complete parcel I.D. number. Indicate linear footage, height, number of gates, and type of material.
- Electrical Permit Application completed and signed (if applicable).
- Copy of applicable contractor's license issued by the State of Florida.
- A site specific notarized power of attorney shall be required from the licensed contractor if he/she appoints an employee of his/her company to sign the permit application as the contractor.
- Certificate of insurance indicating worker's compensation insurance coverage and naming the City of Oviedo as certificate holder, or a copy of a worker's compensation exemption issued by the State of Florida (must be submitted with each application if contractor is the applicant).
- Two (2) site plans indicating proposed location.
- Two (2) copies of the signed and sealed engineered drawings.

These guidelines were compiled to assist the applicant in preparing a wall permit application and may not be complete. The applicant is required to meet all City of Oviedo, state, and federal code requirements.
