Recycle for the Claus

Oviedo, Fla. – The City of Oviedo is promoting recycling before and after the holidays for the annual ‘Recycle for the Claus’ effort.

Starting Thursday, December 23, two 30-foot Waste Pro dumpsters will be set up behind City Hall for residents to bring cardboard boxes instead of setting the boxes at their homes. The dumpsters will be located in the northeast corner of the City Hall property.

The program is not only to promote cardboard recycling, but also to prevent burglars from targeting homes that may have big-ticket item boxes at the curb of the residence.

The dumpsters are for CARDBOARD only and are open to the public 24/7. Recycle for the Claus has been in place since 2016 and all residents are encouraged to take advantage of the site.

Recycle for the Claus runs from December 23 through January 9.
